1. According to the decree of September 24, 1951 No. V/1-3014/78-51 issued by the Ministry of Foreign Trade the Czechoslovak legation offices abroad are permitted to accept or reject applications for business-visas to Czechoslovakia only after obtaining the opinion of the Commercial Attache. Before giving an opinion the Commercial Attache must first personally interview the applicant. Such a personal conversation with the applicant can be waived only in special cases. If the applicant's place of residence is far distant from the legation offices, a waiver is usually granted, but these grounds mainly apply to overseas countries.
